Hon'ble Jai Nairan Chouksey
Founder & Chairman LNCT Group
Chancellor LNCT University

Enterprises worldwide face a business environment presenting unprecedented challenges. Resource constraint has become a reality even in advanced economies. Market conditions are complex, fast paced and fluid. In these circumstances, only a cutting-edge training to the young minds will be the key to success to them and their employers. The LNCT Group continues to transform itself as per the emerging needs of the global economy. And we can proudly claim that the students trained at our colleges are successfully establishing themselves at the respective fields of their profession.

I hope that our march towards excellence continues with the same enthusiasm and wisdom. Best wishes!

JNCT has been recognized for imparting finest technical education. We have been developing a distinctive brand of overall education to students, equipping them to address critical challenges faced by the industry and society.

Our strength lies in the core values on which the LNCT Group stands and each day we resurrect these values into the heart and mind of every student. It is in this spirit that the latest issue of "Voice of JNCT" is being presented to highlight the major academic and non-academic activities in the campus in the last semester.

I congratulate the Editorial Team for their efforts.

My best wishes and blessings!

Hon'ble Poonam Chouksey
Vice Chairperson LNCT Group
Chairperson JNCT

Hon'ble Anupam Chouksey
Secretary LNCT Group

LNCT Group has been in the forefront of imparting quality education in the fields of engineering medical and business management through an interactive approach and building a strong foundation in all aspects keeping in mind the Indian culture and traditions.

The objective at JNCT, is to follow all the inherit majors of LNCT Group which includes development of overall Personality of students to take on Challenges of present day competitive world.

I wish all the best for the newly founded students.

It given me an immense pleasure to extent My heartiest Welcome to all the new comer students and their parents to be part of JNCT family .The Main emphasis of the education of JNCT, is not only to train the students to become excellent technologist but also help and support them to become better human being by allround development.

I expect that all students of JNCT would use this opportunity to realize their full potential.

With Best Wishes
