Message from the Management Desk

Enterprises worldwide face a business environment presenting unprecedented challenges. Resource constraint has become a reality even in advanced economies. Market conditions are complex, fast paced and fluid. In these circumstances, only a cutting-edge training to the young minds will be the key to success to them and their employers. The LNCT Group continues to transform itself as per the emerging needs of the global economy and we can proudly claim that the students trained at our colleges are successfully establishing themselves at the respective fields of their profession.

I hope that our march towards excellence continues with the same enthusiasm and wisdom. Best wishes!

Hon'ble Jai Narain Chouksey
Founder & Chairman, LNCT Group
Chancellor, LNCT University

JNCT has been recognized for imparting finest technical education. We have been developing a distinctive brand of up to the mark education to students and equipping them to address critical challenges faced by the industry & society.

Our strength lies in the core values on which the LNCT Group stands and each day we resurrect these values into the heart and mind of every student. It is in this spirit that the latest issue of "Voice of JNCT" is being presented to highlight the major academic and non-academic activities conducted during last academic year in the campus.

I congratulate the entire Team for their efforts.

My best wishes and blessings!

Hon'ble Poonam Chouksey
Vice Chairperson, LNCT Group
Chairperson, JNCT Bhopal
Chancellor, LNCT Vidyapeeth University, Indore

LNCT Group has been in the forefront of imparting quality education in the fields of engineering, medical and business management through an interactive approach and building a strong foundation in all aspects keeping in mind the Indian culture and traditions. The objective at JNCT, is to follow all the inherit majors of LNCT Group which includes development of overall Personality of students to take on Challenges of present day competitive world.

I wish all the best for the newly founded students.

Hon'ble Dr. Anupam Chouksey
Secretary, LNCT Group
Pro-Chancellor, LNCT University, Bhopal
Chancellor, JNCT Professional University, Bhopal

I am really exuberant to welcome you all as a part of the JNCT family. I believe that you would pursue your dream to become a great leader in the field of your choice. You will showcase the hard work, dedication and obedience during your journey with us. Such dedication is needed to be self disciplined and move ahead in the life. It will also help us grow with you. Your willingness to take every challenge is admirable to me.

All the best!

Hon'ble Dr. Shweta Chouksey
Executive Director, LNCT Group
Pro-Chancellor, LNCT Vidyapeeth University, Indore

It given me an immense pleasure to extend my heartiest Welcome to all the new admitted students and their parents to be part of JNCT family. The emphasis of the education at JNCT, is not only to train the students to become excellent technologist but also help and support them to become better human being by allround development.

I expect that all students of JNCT would use this opportunity to realize their full potential.

With Best Wishes

Hon'ble Poojashree Chouksey
Director, LNCT Group
Secretary, JNCT Bhopal

Message from the Training & Placements Desk

Dr. Anuj Garg
Director
Training & Placements
LNCT Group of Colleges

Dear Students,

I take this opportunity to Welcome you at LNCT Group of Colleges. JNCT is a part of LNCT Group and has always enjoyed equal Placement opportunities. Your seniors have made us feel proud by getting placed in top MNCs. We provide students learning beyond curriculum which makes them Industry ready in this competitive world. Training and Placement Department provides you continuous learning in emerging technologies with our strategic tieups with Salesforce, Cisco, AWS, Coursera, Nasscom and Persistent, Cognizant, Infosys and Wipro lead learning. Your four years at JNCT is an opportunity for you to transform your future into what your parents dream for.

My only message to young entrants is to "Dream BiG and believe in making your Dreams come true.

Message from the Academic Desk

With a legacy of more than 20 years, JNCT has grown in strength over these years, which is reflected in our consistent presence as one of the leaders in the field. The immense energy of a young country like India is finding new outlets in every field be it education, business, entrepreneurship, military, sports or governance. Engineering and technology are also advancing more rapidly than ever before. JNCT offers many state of the art courses affiliated to RGPV Bhopal and BU, Bhopal to help professionals stay up to date with the most recent advancements and best - practice in these disciplines.

The Institute prepares its students to make a difference in the world. Our dedicated faculty members provide substantial knowledge, technical expertise, and skills to future professionals, who are eager to boost their context-specific knowledge or develop new areas of expertise. We encourage and guide our students to take the multi disciplinary projects so that they are cognizant of the current and future-ready to handle real-life situations. In addition, we believe that knowledge come into action leads to success. In view of this, we provide specified trainings to all our students so as to make them industry ready.

I am sure that you will distinguish yourself with new knowledge and skills by taking a course from JNCT and make a powerful impact on your company, career, and the society as a whole. I personally and on behalf of the college, welcome you to the new world of education.

Dr. Vivek Dubey
Professor & Head
Department of Computer
Science & Engineering

FACULTY ACHIEVEMENT

Prof. Mohit Pandya
Dept. of Mechanical
Engineering

- Published a research paper in Chemistry select (European chemical society publication) title: "Development and laboratory scale characterization of a new hybrid nano-enhanced phase change material for solar thermal energy storage"
- Presented a paper entitled "Current advancements of mono and hybrid nanoparticles-based phase change materials for thermal energy storage: a review" in the International Conference on Recent Advances in Fluid Mechanics and Nanoelectronics (ICRAFNM-2023) held at MIT, Bengaluru during July 12-14, 2023.
- A research article title: "Investigation on Thermal Energy Storage Properties of Polyethylene Glycol with Hybrid Nanoparticles of Al₂O₃ and CuO for Solar Thermal Energy Storage" published in ECS Journal of Solid-State Science and Technology (2023 12 071004).
- Indian Patent entitled "Real time monitoring of water quality and feeding device for fisheries using internet of things" published in the Patent and Design Journal dated 16/06/2023 (Application number: 202311036508).

FACULTY ACHIEVEMENT

Dr. Rishu Upadhyay, Department of Chemistry

- Got patent published entitled "device for testing physical and chemical properties of soil and plants" (design no. 357982001, date of filing 04/02/2022 publication date 11/04/2022)
- Completed successfully NPTEL Course on "Effective Engineering Teaching In Practice".
- Short term training program on "creativity in teaching learning process" conducted by National Institute of Technical Teachers' Training and Research, Bhopal (Ministry of Education, Govt. of India)

Prof. Pankaj Pandey, Department of Computer Science & Engineering

- Recognized by IBM for professional excellence in Journey to Cloud: Envisioning Your Solution
- Patent published (Application No. 202311036508 A) on : REAL TIME MONITORING OF WATER QUALITY AND FEEDING DEVICE FOR FISHERIES USING INTERNET OF THINGS

Dr. Akansha Sharma, Department of Mathematics

- Certification course on "Probability for Data Science." By Alison online certification course.
- Online Certification course on "Higher Level Probability and Statistics" from great learning.
- Certification Course on "Introduction to R programming" from great learning.
- Online course on "Statistical Methods for Decision Making" from simply learn.
- Certification course on "Data Science Mathematics" from great learning.
- Certification course on "Introduction to Digital Marketing" from great learning.

Prof. Deepti Tiwari, Department of Humanities & Basic Science

- Completed 3 days short term training program on "creativity in teaching, learning process" conducted by National Institute of Technical Teachers' Training and Research, Bhopal (Ministry of Education, Govt of India)
- Completed the course spanning over 12 modules, training of the "ENERGY LITERACY TRAINING" of the Energy Swaraj Foundation.

Prof. Rashmi Chandrayan, Department of Physics

- Published a research paper titled "Different aspects of nanomaterial & Biodegradable. Polymers for cancer diagnosis and treatment in "international journal of engineering and applied science (ISSN 2394 9910)
- Presented paper in National conference NCPE-2023 organized by LNCT University.
- Completed the course spanning over 12 modules, training of the "ENERGY LITERACY TRAINING" of the Energy Swaraj Foundation.

Prof. Rohit Jain, Department of Civil Engineering

- A research paper titled "Assessment performance of flexible pavements for surface deflection measure by Benkelman beam method" Published in (Macromolecular symposia / volume 407, issue 1).
- A research paper titled "A review study on the performance of flexible pavements" published in (Macromolecular symposia / volume 407, issue 1).
